HIST RY

If you listen carefully, you can hear it:

The sound of history calling.

60,000 years of the world's oldest continuous culture,

Speaking in more than 300 languages,

Asking to finally be given a Voice.

A say on laws and policies that affect us.

Will you answer the call?

You have the opportunity to change the course of history.

Your support can help create a First Nations Voice to Parliament,

Protected in the Constitution.

It would be a historic achievement,

Creating better outcomes for First Nations people.

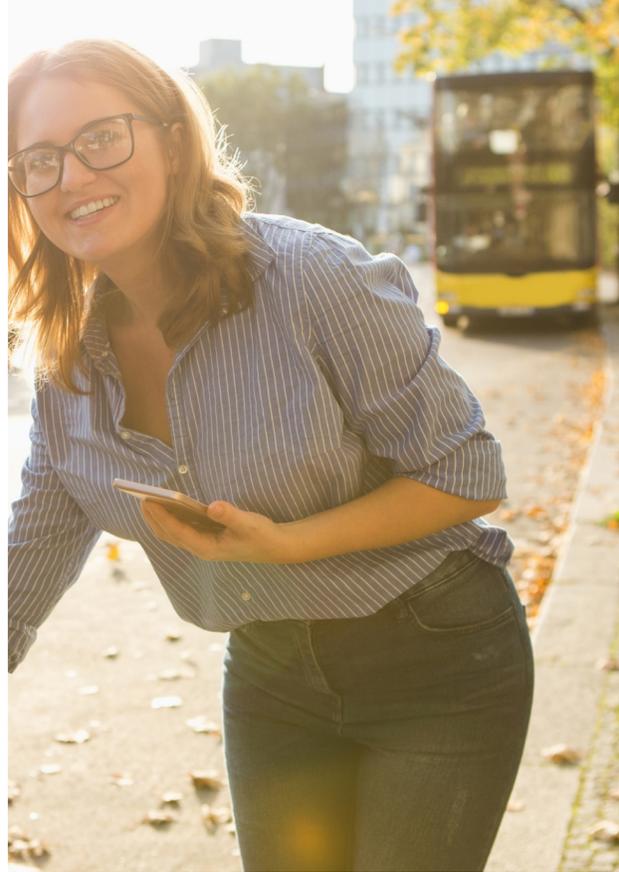

We invite you to walk with us in a movement

Of the Australian people for a better future.
